I hope this year that I never
said anything to hurt your
feelings or think that I didn't
appreciate your friendship.

Steph,
Hey, dancing queen!
What's up? Girl, you're
so lucky to be
graduating. I wish
I was. Anyway,
have a nice summer
and don't forget
me.

Lee,
Mandy

To Steph.

Girl, we made it. I can't believe how fast this year has come and gone. I am really going to miss you, especially our Eddie Murphy routines. Hear what I say Steph? It is going to be different next year without the old gang at the Psychology table. But, I wish you luck in everything you pursue. Remember if you are ever in Riverside look me up. Take care, let's attempt to keep in touch.

God Bless,

Love Always

Angela Smiley
Senior Class Officer

To Stephanie,

The years of high school are now coming to an end, sad but true. It was really a fun four years and your craziness made some days easier, especially in Spanish if you go MURK off the subject. Best of luck to you in what ever you do, I know you will do it well and with that nice smile. Stay crazy and cool.

Love
Elizabeth

(soon to be Anderson)

To Steph:

It has been great tripping with you. I'm glad I got to know you, cause you're really sweet.

Now it's time to go our own ways, but I sure hope I will see you again in the future. If I don't I wish you the best of luck, Love & Life (LFL). I hope you get all that you ever dreamed of.

Love Always

Dear Stephanie:

Well, we finally made it. I'm sorry that we didn't get to know each other a lot; but from what I see you're a very sweet and energetic person. With your determination and super personality, I know you will get far. Have fun this summer and good luck in all you do in the future!!

Love always,
Arcangela

DEDICATION

The school year of 1982-1983 has been a time of transition and change for all of us. The Seniors especially have been deeply affected by this situation, in that they have been unable to live out some of the usual Senior traditions. The Spectrum Staff and the Presentation students would like to give them something special in return. Seniors, this Spectrum is dedicated to you.

This year's graduating class like any other has many characteristics which make it unique. The individuals in this class have the ability to "pull together" despite diverse personalities. Like their symbol, the rose, they blossomed and grew into a class with a special kind of spirit. Their acts of courtesy bond them together and allow them to offer their kindness to others.

As Freshmen, they were welcomed into "Fairylane" by their big sisters who introduced them to the Presentation tradition. Their Soph Hop spread the "Glow of Love" to brighten February of 1981. Junior year brought their ring mass and the Junior/Senior prom, a special night with the theme "Just Between You and Me." The Class of 1983 has established new traditions which will affect the classes they leave behind. We will remember this unique class for these accomplishments, as well as for their joy and hopes, laughter and tears, their encouragement and love.

Stephane,

The year is just about over and I say I never really got the chance to meet you. I wish you the best in your future.

Love Regina
Moley

**GOING
PLACES**

SPIRIT WEEK . . .

Going Crazy was sparked by the traditional "SPIRIT WEEK" rally. The colors orange, blue, green and red decorated our grotto. Voices yelled cheers to prove that each class had the "SPIRIT"

Primary school clothes represented our theme, "School Daze", and Snoopy lunch boxes were common that Tuesday.

On Wednesday, Freshmen Welcome was the highlight for the Seniors and their little sisters, while Juniors and Sophomores enjoyed a little "astrology". On Thursday, students competed in gum blowing, soda crackers and water balloon contests. That day Heidi White triumphed from the "Primary School Days" fashion show. Our "SPIRIT" was revealed to God on Friday, as "Everyone was moved by the Spirit".

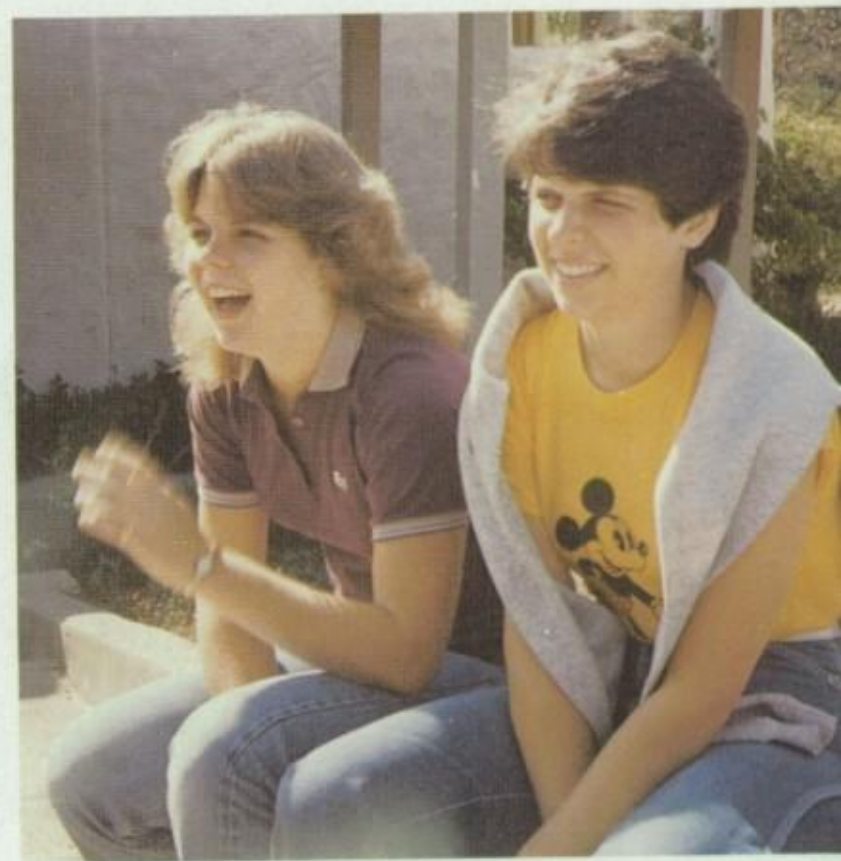

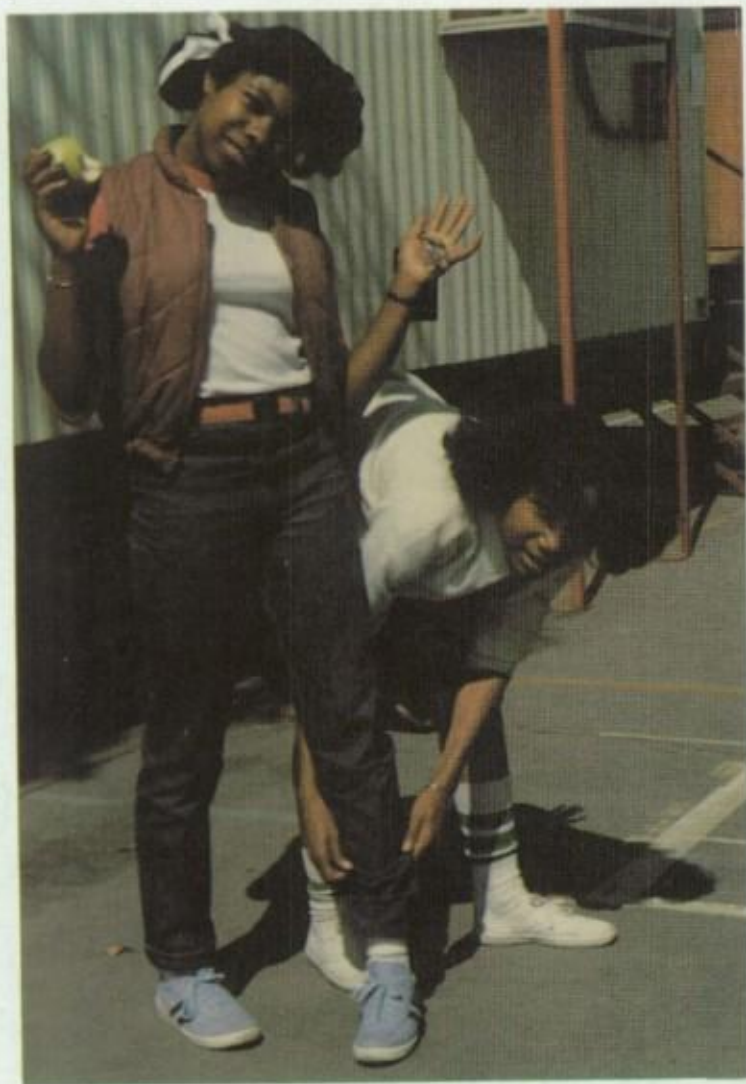

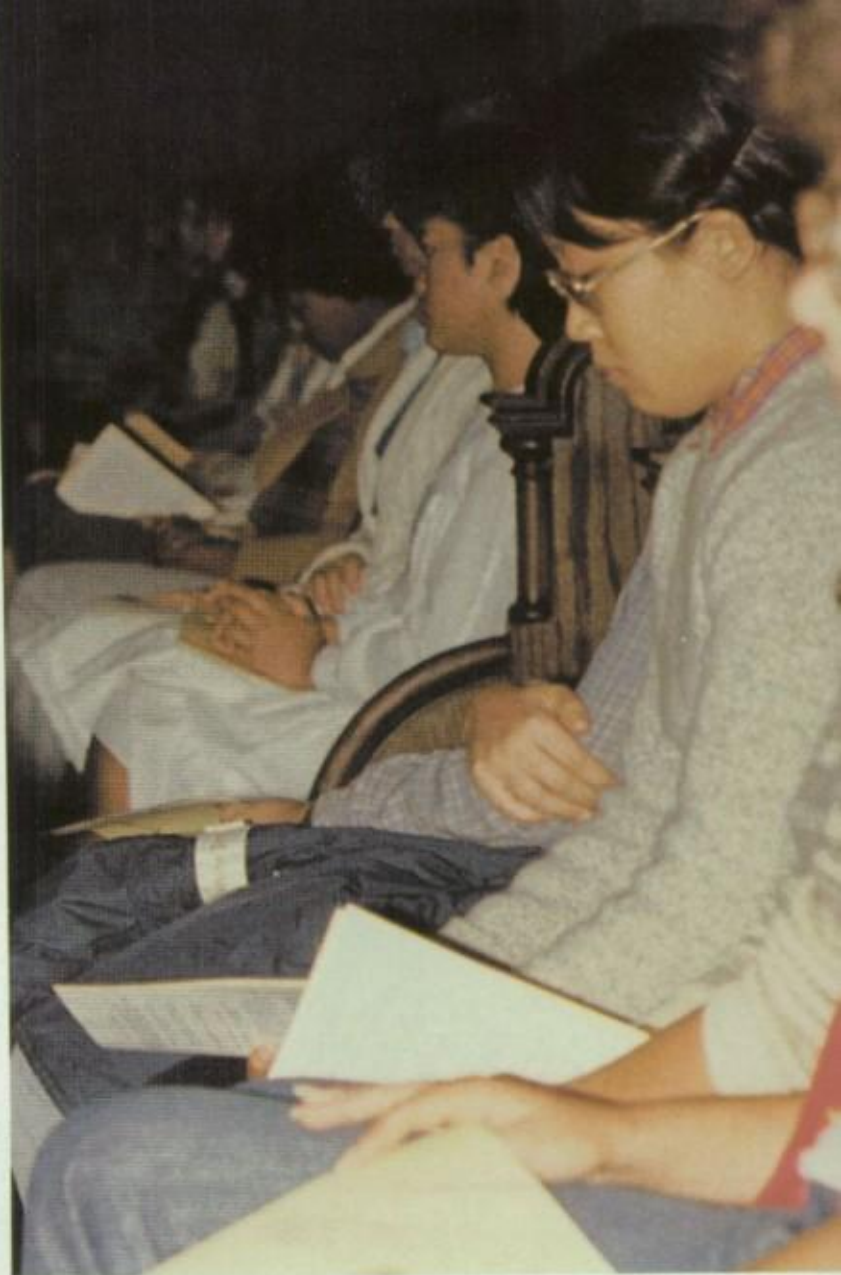

FROM OLD TO NEW

FROM BROWN TO BLUE

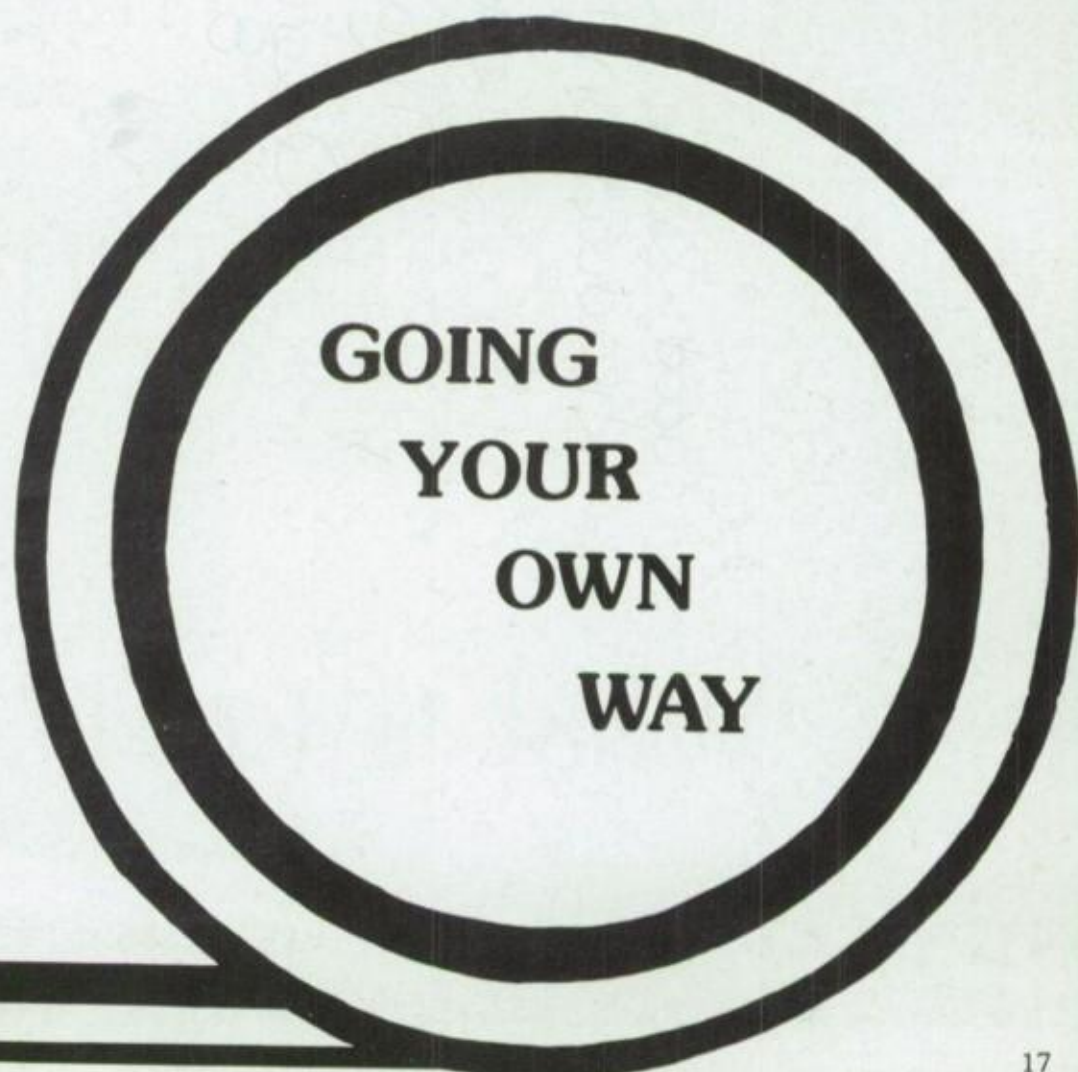

**GOING
IN
UNIFORM**

Each day at 2116 Jefferson Avenue was unique, yet by Springtime we really felt the need to escape the everyday pressures of homework, jobs, parents, teachers, and even our own seriousness. Fortunately, we each had our own ways of escape. These ranged

from frivolous spending of hard earned paychecks to staying out past the normal curfew. Thoughts of graduating won out many times over those of the coming test, but somehow we were able to make the grades - Go Our Own Way.

Dear Stephanie - Well now that we have finished women class I guess we know how to be real women! Of course, I have been since the age of twelve! But anyway, thank you for making

SENIORS

religion class and civics class much more fun for all of us. You have a terrific personality and a great sense of humor. You are so open, honest, and straightforward, it's incredible. Good luck in whatever you do and have a Super Summer!

What is lovely never dies

See you in line at graduation!

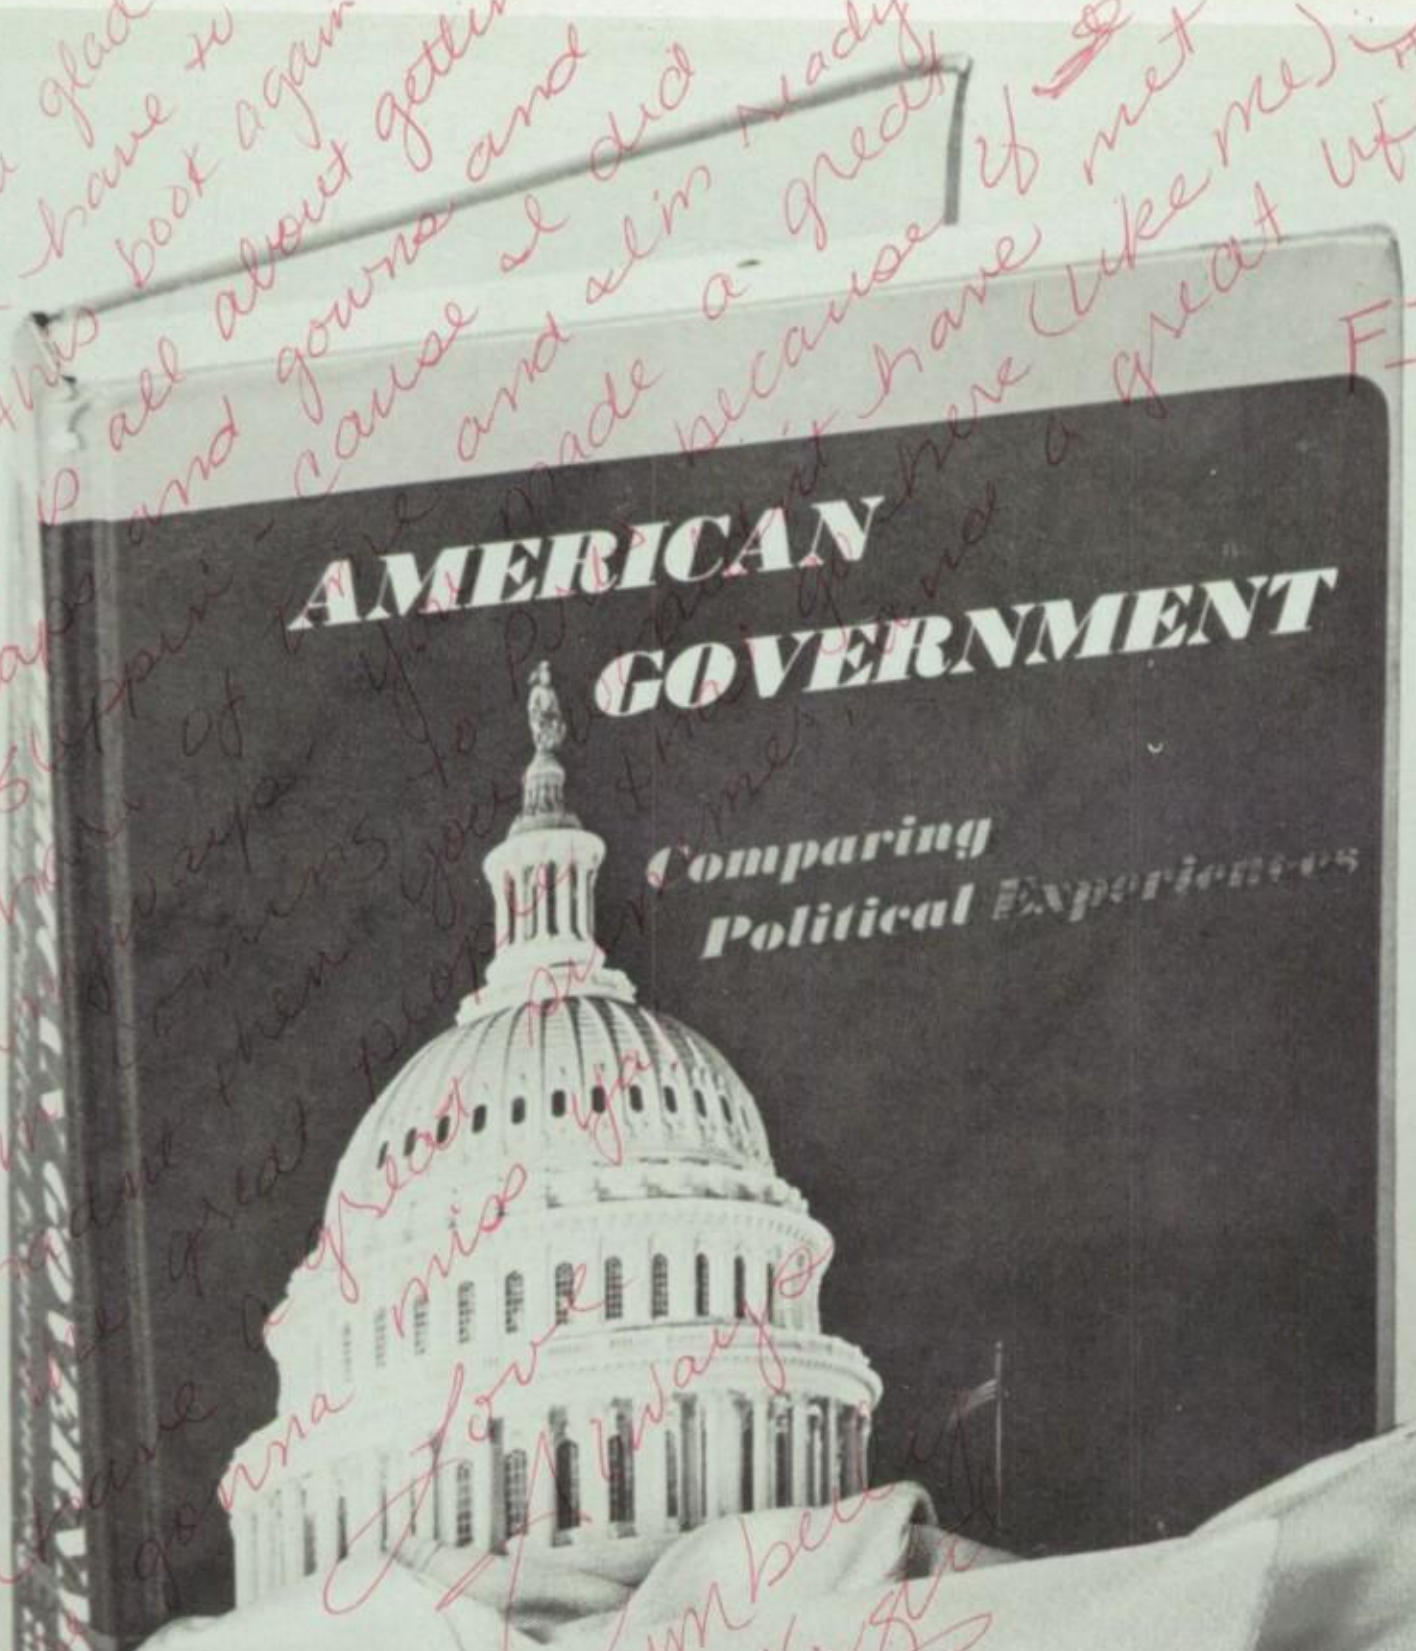

Lore Ya

Cathy Baby

Stephanie, you've been a trip and even though you bothered me we turned out to be some pretty good friends! Stay sweet, love ya. Luck in life! Graduation!!! Love ya, Marie, Queenie '83

P.S. Don't cry at graduation! (he he)

Stephani, aren't you glad we never have to look at this book again? But it is all about getting them to support the cause and slin ready to go show of time made a great because it met my American ways to put it have (like me) Ha! Well, I've had them for a while now a great life FINALLY!

GIRLS ATHLETIC ASSOCIATION

This is a club to build "spirit for sports" in an active way. In the intramural program, it gives students the opportunity to play various sports at lunch time. The club also supports our interscholastic teams of tennis, cross country, volleyball, basketball, softball, and track. To support the athletic program at Presentation, GAA sponsors many exciting fundraisers, like Pizza Night and the Volleyball-A-Thon.

GAA members receive points for their involvement and support. By this method, members receive awards of stars, pins, and blocks. On sports awards nights, athletes receive awards of Most Valuable Player, Most Inspirational Player, Most Improved Player, and Coaches' Award.

The GAA committee which organizes these various events consists of the moderator, Ms. Tronvig and committee members Valerie Brower, Vivian Jimenez, Erika Keller, Therese Kistner, Sandy Lopez, and Olga Moreno.

SCHOOL COMMITTEE

The School Committee at Presentation High School consists of Cathy Gray, Tina Luis, and Robin White. Their job is to organize and run student council meetings (as on this page). The School Committee also "creates activities throughout the year which lead the student body towards school spirit and unity," says Tina Luis. They meet weekly and organize traditional activities, such as spirit week and Father Daughter Night, as well as new activities such as the Ice Cream Social and ski weekends. This hard working group establishes an enjoyable atmosphere in which the spirit of Presentation thrives.

WINTER BALL

Presentation once again participated in the annual Winter Ball along with Salesian, St. Mary's, and Holy Names.

The Winter Ball took place January 7, 1983 in the Pauley Ballroom between the hours of 9-1 a.m.

Everyone enjoyed the evening as couples danced to the tunes of the Music Masters.

Before the Winter Ball, couples dined at Solomon Grundy's, The Landing, Carlos Murphy's, Charlie Brown's, His Lordship's, and other popular restaurants.

ME
JANUARY 28, 1983**

1983 with Daddy and Me was an evening full of fun and excitement for everyone. We celebrated an anniversary for Mr. Gray and Mr. Kistner. These two faithful fathers have been coming to the Father-Daughter Night Dance for twenty years. Everyone jitterbugged, twisted, and po-goed with their fathers. During the fun of dancing to the fifties music, the Channel Four news crew surprised everyone by arriving to film Presentation's traditional dance.

This year the Varsity Volleyball team had a fantastic season as they took the CAL title with a 12-2 record after defeating Carondelet in the playoffs. They qualified to play in North Coast Section playoffs, representing the CAL League. They were first defeated by Campolindo but came out fighting, defeating Alameda High and Mt. Eden, which qualified them to play in the semi-finals.

In the semi-finals, Pres. was defeated by the tough Healdsburg team who later won the title with an undefeated record. This year's volleyball team was the first to ever make it to the semi-finals. Congratulations! Congratulations is also to be given to the JV Volleyball team who placed first with a 13-1 record.

The photograph shows a newspaper with various classified advertisements. In the foreground, several documents are layered on top of the newspaper. On the left, there are three US dollar bills: a \$20 bill, a \$10 bill, and a \$5 bill. To the right of the bills is a document titled 'INVOICE' with the number '1061'. Below the invoice is a large, empty table with four columns: 'DESCRIPTION', 'UNIT PRICE', 'TOTAL', and an unlabeled column. At the bottom of the invoice document, the words 'Thank You' are written in a cursive font. In the background, several newspaper ads are visible, including 'San Pablo Personnel A...', 'CENTER AGENCY', and 'PT. RICHMOND...'.

Stephanie, I found this little bit of space to write to a very special friend about me - I forget you last year when all of that confusion was going on. I had not known how I would have made it. We were extremely close during the beginning of the year. My baby was preclino Rosado Jr. I had not youss was Mr. Marie Miller! All of those letters we used to write to one another every single day talking about our first little incidents with the opposite sex. Those were the days! I'll never ever forget that. It's going to be so sad come graduation day because I will be leaving 2 days later and that Saturday will be the last day that I will see you for an indefinite period of time. I am going to miss you but I will write to you as soon as I get the chance. I wish you lots of luck in pursuing your career & have fun w/ all the babes - for ya lots - Valerie

P.S. Please don't forget about me - I'll be there for you always

May 31, 1983
Stephani - AUGGGHH!! (tears) o.k, I'll get a hold of
myself. ☺ Well girl; it looks like you made it. I know
you would. But this time went by just too fast but
I guess for you, it didn't go by fast enough so you
can be out of this school and on your way to doin'
your thang! We've been through a lot in just these
two years together -- how we tripped in Biology (You
who were our main sweethearts back then??) let me think
real hard -- but I believe Steven with both of us (for
a while), and Mario, and Angelo... girl I could be writ-
ting here all day -- listing our past loves. But hopefully
we both have found Mr. Right (that was a cute story
about Mr. Reggie Allen now, and I hope it will
stay that way. And girl, I hope it stays Vincent
for you and it seems like it will. 'Cause Steff, don't
you know we have had our share of letdauns,
and we have helped each other with those ruggs. There
has been Richard, who was too old and I was so
upset that day in class, and with you, there was
Darryl, who you really cared about but he had
messed up a good thing, and well, there was
Cortez and that whole situation. You really
helped me along with him from the very
beginning. I really could confide in you
Steff, about what was going on inside of
me, and you had given me some good
advice -- you and Allison both. And I
really appreciate all the advice you guys

had given me, and I'll never forget it. We have grown to be good friends 'steff- because of the trust and keeping our biz'ness confidential between us. I guess we have become such good friends, because we're both "Steph's" and we feel and think in the same manner about situations. But even though we're friends we didn't even go out anywhere on the weekends (we only would like bump into one another somewhere) and girl we never conversated on the phone except when you had called me on my 16th birthday! Yes, you better make time. ☺ we got to get together on a trip this summer cause like you said, this year just flew by - and well, next year, you'll be gone! Girl, I'm gonna missssssssssss you! You knew that. But don't forget about me when you're a COLLEGE LADY - GET IT GIRL I'M PROUD OF YA!! So Stephani, I'm going to stop even though I can go on, and on! - You're a young lady that really has herself together, and with what you have, you're bound to succeed in what ever you do - with the career you choose, and just your life ahead - and most of all, because you are yourself, and you are one of the nicest people I know - and I mean that. Stay cool, sophisticated, and most of all, keep your bubbly personality. Love always Stephani 8.4.01
